COMMISSION POLICY STATEMENT

NUMBER: 96-CPS-004

DATE: 10/03/96

SELECTION CRITERIA: WILLIAM C. (BILL) TUNE, JR. AWARD FOR EXCELLENCE IN EDUCATION

In remembrance of its namesake and in order to ensure that this honor is awarded only to individuals that represent the highest ideals of dedicated service and professionalism in real estate education, the Tennessee Real Estate Commission adopts the following selection criteria applicable to nominees for the award:

1. No more than one award will be given during any one year period. The Commission may decide not to issue an award during a year if they, at their sole discretion, determine that there is not a satisfactory nominee.

2. Nominations will be made by Commission members and staff. Nominations will be accepted by the Chairman until the end of business during the November meeting. The vote and announcement of the winner will be held the following January. The award will be for the then current year.

3. It is suggested that nominees have a minimum of ten years experience in the real estate business or in a real estate education program. Nominees that have the ten years of real estate experience should also have at least five years of experience in real estate education.

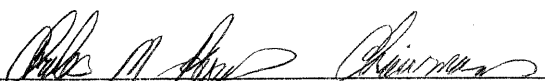

However, the real estate and real estate education experience specified is not mandatory. Nominators will, to their own satisfaction, determine whether the nominee meets the spirit of the ideals of this award.

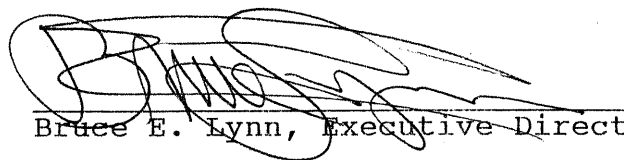

4. Winners of this award will not be eligible for renomination.
